~~Received petn~~

Hi no 960/10-8-05

The petn having been forwarded to the Dy Commr, that Officer reports that the site measuring 22×34 ft in the open space adjoining the Sri Gunja Nara-simhaswami temple, on which the petr wishes to build a Siva temple, is, although not objected to by the raiyats, still not free from other objections, as the open space round the former temple has to be left unbuilt. He says that of the petr—whose antecedents are reported to be that he was a conservancy hen by name Sidda—wishes to erect a sivalaya, he might select some other site for the purpose. The prayer is therefore not recommended.

~~Submitted with a dft + Endl to petn~~

by 23/8/05 — The temple of Gunja Nara-simhaswami, which is a mofussil institution, is said to be in urgent need of repairs. The Dy Comr promises to submit a report on this point early—
